- **Easy walking** - where you could chat away if you were walking alongside someone, a full sentence on every out breath.
- **Faster walking** - where you could only say 2-3 words on an out breath.
- Try to have spread your walks out evenly across the week if you can.
- If you miss one or two walks in a week, don't worry, just let them go and move on to the next walk.
- If you can fit in one or two of the strength sessions each week that will really help your walking!
